#### **Petitions & Remonstrance's:**

1. Darin Hains, 1728 Flint Lane, Coshocton, OH 43812. Wanted to address the Flint Lane flooding issue. The communication from the City has been terrible, no one calls you back. Changes were made every other day. Our fence was removed and was not put back correctly. Max Crown kept asking us if we had heard from the Insurance Company which he thought was very odd. Did not know they were cutting trees down until today when they showed up to start cutting them down. The insurance company has offered them a third of the total costs of repairs. Has been told that the city cannot help with repairs. Feels the right people should be making the decisions. Extremely disappointed in the City's lack of communication with the whole situation.
